

# Sequoia Meadows

Apartment specification

# Desirable in every detail

The finishing touches, unexpected flourishes and innovative features. Designer kitchens with desirable technology built-in, for showing off your culinary flair. Sleek family bathrooms and en suites with high specification sanitaryware, for indulging in some well-deserved pampering.

With every home comfort considered for energy-efficient and low maintenance living, each aspect of your apartment is beautifully designed and built to an exacting standard; because when you look for quality, it's the little things that make all the difference.
